

Premium Hardware Kit

For Wood Storm & Screen Doors

Everything you need
for quick installation
of operable wood
combination doors.

Kit Includes:

1. Premium Quality Lockset with secured latch and keyed dead bolt, in 3 luxurious finishes: Bright Brass, Satin Black and Satin Nickel. (Shown: black and nickel exterior, brass interior levers)
2. Lockset door bore template to simplify the installation
3. (3) Residential duty 2"x3" hinges with coordinating matching finish. (Shown in Bright Brass)
4. Safety chain guard, the necessary guard against that sudden gust of wind. (Black only)
5. Heavy duty closure, easily adjusted to regulate the door closing speed. (Black only)

*Kit also includes easy-to-follow instructions
and tips for finishing your wood door for lasting beauty.*
