

## Are your fitting rooms looking dreary and out of date?

*Are they tired of all the changes?*

*Are they out of style and out of sort?*

# IMAGE IS EVERYTHING!

## Let the CDC door experts update your fitting room doors.

Our products are manufactured to your specifications whether provided to us by your design group or created through our CADD departments and engineered to meet your needs.

The CDC full service fitting room door service includes:

- Virtually unlimited choices of wood species
- Coordinating jambs and frames
- Complete hardware machining capabilities
- Ability to create custom designer glass options for that signature look
- Factory paint or stain pre-finishing
- Commercial grade hardware in many design and color choices, all with a 10 year warranty
- Shipment is directed to your predetermined destination
